AHRQ Pub. No. 16–M007-EF
March 2016

The Agency for Healthcare Research and Quality's (AHRQ) mission is to produce evidence to make health care safer, higher quality, more accessible, equitable, and affordable, and to work with the U.S. Department of Health and Human Services (HHS) and other partners to make sure that the evidence is understaood and used.

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES • Public Health Service
