

PRACTICE TEACHING SESSION

SUBSECTIONS

- Practice Teaching Session

TIME: 4 hours

SAY:

- Today we are going to practice teaching the fundamentals course. Yesterday at the end of the day, you received the module that you and a partner are going to teach. Everyone will be provided an opportunity to practice teaching a module as both a lead and an assistant instructor.
- At the end of each module, we will briefly discuss feedback with the instructors before moving on to the next module.

ASK:

- Any questions before we start?

DO:

- Change slide presentation to Module 1—Introduction
- Lead and assistant instructor teach Module 1
- After Module 1 is complete, have participants fill out teaching feedback form
- Discuss peer feedback for 2 minutes
- Follow with instruction for the remaining modules per this format

DISCUSSION:

- What did you like about the instruction?
- What could be improved based on the feedback from the group?

 **Instructor note:** Let everyone know that as the master trainer, you will be providing written comments to the lead instructor on the teaching feedback form.
