5-Minute COVID-19 Learning Modules

5 minutes is all it takes to complete online modules that give tips on how to take care of yourself, your coworkers, and your residents.

Each module is:

- ✓ Short
- ✓ Interactive
- ✓ Informative
- ✓ Timely

Topics include:

- Recognizing and managing anxiety and stress
- Identifying and treating COVID-19
- Vaccination best practices

Visit <https://www.ahrq.gov/nursing-home/learning-modules> to access the modules. More modules will be added as they become available, so check back often.
