

Magic Wand Exercise Sheet

EXERCISE I: IF I HAD A MAGIC WAND...

If I had a “Magic Wand” and could make changes within my unit or the facility *in the areas of patient quality and safety...*

A. Provide a list of things that frustrate you, are significant problems, or make safe quality patient care more difficult to provide. Some of the *problems* I would deal with are...

B. Some of the *solutions or ideas* that may help to *improve* quality and safety for patients include:

*** Circle the three solutions you feel would have the most impact ***
