

Teams and Teamwork Exercise Sheet

INSTRUCTIONS:

Write down the names (or positions) of the people in your immediate work area or unit who contribute to the success in providing care for your patients. If you are not clinical at present, complete this exercise as if you worked in the Operating Room, Emergency Room, Labor and Delivery, a medial or surgical ward, or a Family Practice Clinic. (Choose one.)

A. Contributors

NAME _____

TITLE _____

B. What is the GOAL of your unit or work area?

C. What elements or characteristics make the group a team... or could make them a team?
