

CEUs for the National Implementation of TeamSTEPPS Master Training Course

Duke University Health System Clinical Education & Professional Development is authorized by IACET to offer **1.3 CEU's** to participants who meet all criteria for successful completion of these educational activities. Successful completion is defined as (but may not be limited to) 100% attendance, full participation and satisfactory completion of all related activities, and completion and return of evaluation at conclusion of the educational activity. Partial credit is not awarded.

The International Association for Continuing Education & Training (IACET) CEU (continuing education unit) is the international standard for continuing education credit.

The IACET CEU is most appropriate for those individuals that are in allied health fields and other non-medical professions.

Duke University Health System Clinical Education & Professional Development has been approved as an Authorized Provider of continuing education by the International Association for Continuing Education & Training (IACET), 7918 Jones Branch Road, Suite 300, McLean, VA 22102. In obtaining this approval, Duke University Health System Clinical Education & Professional Development has demonstrated that it complies with the ANSI/IACET 1-2013 Standard which is widely recognized as the Standard of good practice internationally. As a result of their Authorized Provider status, Duke University Health System Clinical Education & Professional Development is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET 1-2013 Standard.
