

Team STEPPS for Office-Based Care

Practice Facilitator Debrief Worksheet Video 2: Leading Teams and Situation Monitoring

Date of Debrief:

Organization:

Debrief Attendees:

1. What were key leadership issues your team identified for improvement? What were strategies suggested to address these issues?

2. What were key situation monitoring and cross monitoring issues your team identified? What were strategies suggested to overcome them?

3. Were there any volunteers who are willing to share their experience(s) as well as their suggestion for how to effectively use huddles and briefs in the primary care office environment?
