

## ICE Checklist #5: Dialysis Supply Management and Contamination Prevention

Certification Number: \_\_\_\_\_

Observation 1: Shift # \_\_\_\_\_ Staff Type \_\_\_\_\_ Isolation Y ☐ N ☐ Visible From Nursing Station Y ☐ N ☐

Observation 2: Shift # \_\_\_\_\_ Staff Type \_\_\_\_\_ Isolation Y ☐ N ☐ Visible From Nursing Station Y ☐ N ☐

<p><b>Supplies are stored and kept in designated clean areas, with sufficient distance from dialysis stations to prevent contamination from potentially infectious materials/substances</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Supplies for next patient are not brought to station before prior patient's treatment is terminated and applicable equipment (machine, chair) cleaned/disinfected</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Carts or trays containing supplies are not taken to or moved between dialysis stations</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Staff do not keep patient care supplies in pockets or on their person</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Nondisposable equipment (e.g., thermometer, pH/conductivity meter, access flow device, O2 saturation meter, blood glucose meter) brought to the dialysis station is cleaned and disinfected before being returned to a common area or taken to another dialysis station</b></p> <p>Disinfection = all surfaces wiped with EPA-registered disinfectant per manufacturer's directions for use</p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Multiple-dose medication vials are not taken to the dialysis station</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Disposable supplies taken to the dialysis station (whether they are/are not used on the patient) are discarded</b></p> <p>Obs 1: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p> <p>Obs 2: Met <input type="checkbox"/> Not Met <input type="checkbox"/></p>
<p><b>Observation 1 notes:</b></p>          
<p><b>Observation 2 notes:</b></p>
