

## Situation Monitoring Exercise Care Plan Questions To Consider

### INSTRUCTIONS:

Provide the following questions to the care planning team (and the audience) for consideration when creating Mrs. Valdez's initial plan of care.

### QUESTIONS:

- From what we know, what are Mrs. Valdez's needs and preferences that may be critical for maintaining or enhancing her personhood?
- What might support Mrs. Valdez's well-being?
- What are things about Mrs. Valdez every staff person should know?
- What are some care approaches and activities that should be avoided?
- What are some of her needs that should be included in her care plan?
